As a dedicated computer science student, I am eagerly pursuing a career in web development. I have proudly earned a certificate in Full Stack Web Development from the University of Central Florida Coding Boot Camp, equipping me with a robust skill set to create exceptional digital experiences. I would consider myself an innovative problem-solver who is passionate about developing apps with a focus on mobile-first design and development. Strengths in creativity, teamwork, and building projects from ideation to execution.

TECHNICAL SKILLS

- Role: Solo Project.
- Tools: HTML, CSS, JavaScript, jQuery, API, Bootstrap, Handlebars, Express, MYSQL2, Node, Sequelize, JAWSDB.

EXPERIENCE

Razer USA LTD

2022-Present

Sales Associate/ VM Supervisor

Kissimme, FL

As a highly motivated and results-driven Sales Associate with a proven track record of averaging over \$20,000 in sales per week at Razer Retail Store; I also consistently generated 30% of the store's monthly revenue by having a direct connection to customers but also bringing B2B corporations.

- As a supervisor, I was able to design displays that showed products in an attractive fashion by researching consumer behavior and market trends; this led to a rise in sales and customer engagement. Their attention to detail, originality, and dedication to perfection in visual merchandising made the company stand out and draw in more customers, which ultimately aided in its overall success.
- With a strong background in sales and a deep understanding of the technology industry, I am confident that I can contribute to the success of any team that I join. I possess excellent customer service skills and a passion for technology, which I believe will enable me to provide the highest level of service to customers.
- I'm eager to put my knowledge and expertise to use after having been a successful visual merchandise supervisor at the Razer Retail Store, where I supervised a team that was in charge of designing and implementing visually appealing displays that increased sales and improved the entire customer experience.

Pandora A/S

2021-2022

Sales Associate

Aventura, FL

Helped customers from all areas of the world in a high-paced, jewelry store to find the best jewelry appropriate for the buyers and their families.

Key Accomplishments:

- At Pandora I was a highly focused salesperson with a track record of making \$8,000 in daily sales.
- To bring my passion for sales and commitment to delivering an exceptional customer experience and the opportunity to learn and grow within such an innovative and dynamic company.

Universal Studios

2020-2021

Stock Room Leader

Orlando, FL

I was a team member responsible for overseeing the efficient operation of the stockroom within the theme park. I had to play a crucial role in managing inventory levels, ensuring that

merchandise is readily available for sale, and coordinating restocking activities to meet guest demand.

- I would be in charge of managing and supervising the stockroom operations at one of the many souvenir stores of Universal Studios in order to guarantee an efficient successful supply of items to various departments around the theme park.
- Strive to maintain high standards of accuracy, safety, and productivity in all stockroom activities, and work closely with other departments to ensure smooth operations and exceptional guest experiences.

EDUCATION

Certificate in Full Stack Web Development

University Of Central FL

Orlando, FL

Associate of Arts Degree

Valencia College

Kissimmee, FL
